United Way Montcalm - Ionia Counties April 2020

CENSUS COUNTS 2020

Michigan is currently ranked #2 in census reporting, but our work is not done! In Montcalm County, 53.1% have responded, and in Ionia County, 60.9% have responded. Your participation plays a key role in things like school lunches, medical care, roads and bridges and educational programs getting the most funding possible. If you have not responded yet, please take 10 minutes and fill out the census online today!
